Sending cards is simple—yet it makes a profound difference in the lives of others. We have opportunities every day to make that difference! Birthdays, anniversaries, Valentine's Day, Mother's Day, Father's Day, graduation... but it's those often overlooked moments that can be the most powerful. I'm regularly looking for "thinking of you" cards to let someone know they're in my thoughts.

An added bonus? When we send handmade cards, we feel wonderful too! We showed we cared, plus we had fun being creative—and we all know how important that is! I love that we can accomplish all of this simply by sending a card.
